

PEACE TERMS NOT MODIFIED.

Premier Salisbury Declares England Has Abated No Jot in Her Demands.

"HAS GRANDLY WON."

Tells Primrose League Government Has Nothing to Regret and Points to Egypt and Ireland.

LONDON, May 7.—Lord Salisbury during his speech to-day at the annual grand habitation of the Primrose League here said the Government had not receded an iota from its previous terms to the Boers.

The Premier spoke to an immense audience in a much less pessimistic vein than when he was last time heard in public. He congratulated the League on the staunch support given to Conservative governments, one result of which was that Great Britain was now supreme in Egypt, while, with regard to Ireland, the country need no longer fear the "lucane, suicidal projects of Imperial disruption supported by many of the Opposition statesmen.

"At the same time the country must not expect that ashes of past conflicts to be extinguished immediately. Great Britain had had a great and serious war; but, admitting that misery and suffering had been caused, it must be recognized that the power, prestige, influence and magic of the great empire are more potent, more efficient and more admirable than ever before."

"We have suffered," continued the Premier, "but, we have greatly won. It was possible not to feel that the efforts of the people of the country have, in some cases not been worthily recognized."

"The other day Mr. Morley asked if there was a single member of the cabinet of 1890 who, if he could have foreseen the results of the policy on which they were then launching the country, would not have checked the diplomacy leading to such deplorable results. As a member of that cabinet, he, Lord Salisbury, wished to meet this statement with the most indignant denial. The war had been used by some politicians for the sordid purpose of injuring their opponents."

"Turning to the peace negotiations, Lord Salisbury announced that 'Great Britain has not receded one inch from her former position. As to rights we claimed and the policy we intended to pursue, we are exactly where we were.' When the conflict was over all possible would be done to mould their present opponents so that they could take up their position in the empire which had conferred so many blessings of the human race. But it must be thoroughly understood that the whole government of the country was to be of such a character that it would be impossible that the struggle could be renewed."

MME. SEYGARD DIVORCED FROM GRAND OPERA SINGER.

Decree Quietly Obtained at Patchogue Just Before She Went to Europe.

It may interest a good many persons in New York to know that Emil Fischer, the ponderous basso, and Camille Seygard, the opera company singer, who took Calve's place as Carmen, last winter, when the French woman was unable to appear, are no longer husband and wife.

Mme. Seygard, who in private life is Mrs. Amelia Marie Kate Fischer, obtained a divorce from her husband a week ago last Saturday and went to Europe on the same day. Fischer is still in New York, living at the Rochelle apartments, No. 57 West Seventy-fifth street.

There was great secrecy about the divorce. It was obtained from Justice Wilmet M. Smith at Patchogue and the decree was filed at Riverhead, L. I.

Mme. Seygard accused her husband of doing with Paola Weinig, another singer of less renown, but with apparently more charms for the basso. In her complaint she alleged that her husband had been so devoted to Paola Weinig during the fall that her suspicions had been aroused. Later in the year, she alleged, she returned from a concert tour unexpectedly. She went to her home without having previously announced that she was coming. Her maid, Susan Acker, was with her. When she got inside her apartment

she found that her bedroom was locked. She knocked on the door and her husband's voice called out that she could not come in.

Emil Fischer, Her Former Husband, One of Best Known Bassos on the Stage.

But she had a pass key and she used it. When she opened the door she found her husband and the woman.

Since that time she has lived apart from Mr. Fischer. She immediately instituted a suit for divorce at Riverhead in order to avoid any publicity.

Her lawyer was Joseph A. Davis, of No. 188 Broadway. Her husband put in no defense. According to Davis he tried to effect a reconciliation and when his wife refused to listen to his appeals he himself in trying to keep the affair quiet.

Fischer is about sixty years old. His wife is not more than thirty. She is a Russian. Her parents were French and she was educated in Paris. She made her debut there in Mozart's "Don Giovanni." Several years ago she came to America and joined the Damrosch Opera Company. Fischer was with the company and they fell in love. They were married about two years ago in Holland. They have no children.

Fischer is one of the best-known bassos on the stage. His impersonations of Hans Sachs and Wotan in Wagnerian operas are world famous. He has not appeared in the Grand company for several years, occupying himself with concert work and with teaching.

HORSE STOOD DEAD WITH HEAD CUT OFF

Train Decapitated Animal as It Was Driven Across Tracks—Driver Jumped and Escaped with Hurts.

A West Shore express train in Hoboken to-day decapitated a horse and left the body standing by the track, harnessed to the buggy the animal had been drawing.

Henry Hoser, of Palisade avenue and Liberty street, Hoboken, was driving down Thirteenth street and started to cross the railroad tracks. He says no warning of the approach of a train was given and that the express was on him before he could pull his horse back.

The engine cut off the outstretched head of the animal as Hoser jumped from his buggy in fear. When he looked around the horse's body was standing in the shafts. It fell after a moment.

Hoser fell in jumping and was badly cut about the head.

HERR MOST FREE, CHEERED BY CROWD

Anarchists Throng Essex Market Court and Show Great Joy When Prisoner Is Discharged—MacQueen Held.

Nearly two hundred Anarchists, including women with red bands on their hats and men with red neckties, rejoiced to-day when John Most was discharged from custody by Magistrate Cornell in the Essex Market Court.

Before the examination the women friends of Most and his two associates under arrest presented them with bunches of flowers.

Most was arrested last Sunday night, with William MacQueen and Solomon Hillier, after MacQueen had made an incendiary speech at New Irving Hall, on Broome street.

Detectives Sheehan, Walsh and Baxter, who made the arrests, charged against Most, that he sat on the platform while MacQueen spoke, clapped his hands and appeared to be pleased over the speaker's talk.

Magistrate Cornell held that this was not sufficient evidence to justify the holding of Most, and therefore discharged him. MacQueen was held in \$1,000 bail for trial, without delay, after Magistrate Cornell had heard the testimony of the detectives.

Hillier, who was charged with having interfered with the detectives and having attempted to rescue Most, was held in \$500 bail for trial.

As Most left the court room and stepped to the street he was cheered by a throng of nearly 1,000 people, who followed him.

Most has a sentence of one year in prison to serve, having been convicted of a misdemeanor for matter printed after President McKinley's death.

The dead man was about fifty-five years of age and dressed like a laborer. There were no marks of violence and nothing to give a clue to his identity.

METHODIST FUND NOT COMPLETED.

Chairman Willis Denies that the \$1,000,000 to Be Raised Here for 20th Century Thank Offering Is All In.

It was stated to-day by officers of the commission which is to raise \$1,000,000 in Manhattan and the Bronx for the twentieth century thank offering of metropolitan Methodism that the receipts at the big meeting at Carnegie Hall last night would not be made public at present.

The \$1,000,000 in question is a part of \$20,000,000 to be raised by Methodists throughout the country to signalize the opening of the twentieth century of the Christian era. Of the \$1,000,000 to be raised here \$700,000 is to be applied to the payment of church debts and \$300,000 each is to be given to the St. Christopher Home or Orphanage at Dobbs Ferry, to the Deacons Training School and to the Fund for Superannuated Preachers.

E. M. Willis, chairman of the Public Meetings Committee, at his office, No. 2 West Twenty-ninth street, said to-day that the commission was now engaged in the hardest part of the work, and he expressed the hope that the money would not get abroad that all the idea had already been secured.

ROOSTER FIGHTS MAN.

Court Officer Painfully Cut by Spurs of Pet.

Frank Frielingdorf explained to the Honorable, the Long Island City Court, to which he is attached as special officer, that he was late and came in limping this morning as the result of the high spirits of his pet Leghorn rooster.

Frank was dwelling with meditative delight in the prospects of big broods at his henery at No. 792 Ninth avenue, Long Island City, when the effervescent chickenier attacked him, and before being vanquished administered a grill pattern of cuts and slashes. Dr. Harman assured the court officer that blood poisoning was unlikely.

BOY KIDNAPPER DEFIES THE COURT.

Sixteen-Year-Old Lad Accused of Stealing Two Children, Again Refuses to Divulge Their Whereabouts.

Joseph Neuburger, the sixteen-year-old boy accused of kidnapping Jacob and Tillie Baumann, again refused to tell Magistrate Crane where the children are when arraigned in Jefferson Market Court this morning.

"You'll be locked up again if you don't," said the Magistrate. "He's a Dick Turpin in a small way."

"Do you hear that?" said Agent St. John, of the Children's Society. "How long do you want to be locked up for?"

"Six months," replied Joseph, and he said it with nonchalance. First he had asked for an interpreter. Later he spoke English glibly.

Mrs. Rosie Baumann alleges that her husband induced the boy, who is his cousin, to take the little ones from their home, No. 25 Fifth street, on Saturday, and that she hasn't seen them or their father since.

Louis Baumann is a capmaker, and up to Saturday worked for Foy & Lederer, at Fourth and Mercer streets. The boy stubbornly refuses to give any information. Mrs. Baumann is stepmother to the children.

Before Joseph was again locked up he said that the children were with Abraham Baumann, of Market street, New Brunswick, N. J. The lad will be arraigned again to-morrow morning. He is held in \$1,500 bail.

WOMEN SAY OF PE-RU-NA:

"I Will Never Be Without It."

"Pe-ru-na Saved Me from the Grave."

A Heart-to-Heart Talk with Women.

S. B. Hartman, M. D.

IF ALL the sick mothers, invalid daughters and diseased sisters in this broad land would take the following ladies' simple and direct testimony to heart and do as they have done no pen could describe the benefit that would follow.

There are so many women, especially married women, who drag themselves wearily around from year to year without any particular disease, and yet miserable beyond description.

They ache and tremble and shiver, growing more nervous, tired and debilitated every day.

For this class of sufferers Pe-Ru-na is the most perfect remedy in existence. It relieves, it soothes, it quiets, it strengthens and no tired, overworked woman in the land should be without Pe-Ru-na in the house for a single day.

Pe-Ru-na Brings Health.

Miss Inez Henderson, 134 Adelaide street, Toronto, Ont., Financial Secretary of the Royal Templars, writes:

"There is nothing so good in life as health, and the one who brings you health should be your friend, and this is how I consider Pe-Ru-na."

"For years I have been in delicate health, and while not exactly sick in bed, I have been unable to enjoy life. Frequent headache, earache, and a drumming in my ears made me realize that there was something decidedly wrong with me. My physician said it was a deep-seated catarrh, and that to be cured I must seek a different climate. I felt pretty blue until reading of the cures performed by Pe-Ru-na I decided to try it. I took four bottles, which brought me great relief, so that I kept on taking it for four months, when I found that my head was clear, and all the unpleasant symptoms gone."

Mrs. Sophia Hartful, of Spencer Brook, Minn., writes:

"I was very seriously sick last spring—sick enough to die, and I did not know what to do. I was looking over one of your almanacs and found that Dr. Hartman was the best one for my trouble. I suffered from catarrh of the bladder, and he wrote me that I should use Pe-Ru-na. I did, and now I am a healthy woman."

"I would now be in my grave, but Dr. Hartman, of Ohio, saved me from death."
